Miller Road Resurfacing Options

Steve Warren from OHM made a brief presentation on the upcoming project on Miller Road.

Meeting open for public discussion.

Joanne Holmquist, 5373 Miller Road, referred to a letter that she submitted to Council and City Manager Zettel stating her objections to the road project. Ms. Holmquist spoke about losing a good portion of her yard when the road was originally made 4 lanes. Ms. Holmquist spoke about how long it takes her to turn left out of her driveway. Ms. Holmquist restated that she is not happy with the project.

Laurene Neeley, 5283 Oakview, stated that she does not like the three lane concept in town and does not want to see it go any further. Ms. Neeley spoke about the bike lane being used as a right hand turn lane by many motorists.

Steve Shumaker, 7446 Country Meadow, stated that he did not like the three lane idea. Mr. Shumaker stated that he thinks there is less traffic on Miller Road due to the three lanes there, and people are avoiding it. Mr. Shumaker stated that he feels three lanes are unsafe for police officers pulling cars over.

David Neeley, 5283 Oakview, spoke about the three lane stretch of Miller Road. Mr. Neeley stated that many times he is going the speed limit and people drive very close behind him. Mr. Neeley stated that he feels four lanes will make it easier to maintain the speed limit and not have people stuck behind slow moving vehicles.

Brenda Bennett, 6300 Milller, stated that it sounds like the four lane option is the best option. Ms. Bennett spoke about it being hard to see traffic coming when exiting I-69 and the extra lane makes it possible to merge into traffic without incident. Ms. Bennett asked if the residents are responsible for keeping up the bike trails. Ms. Bennett stated that she is not prepared to take care of a sidewalk if they go with the tree lane option.

Mayor Krueger asked if the road could be left as it is, with no changes. City Manager Zettel stated that the only changes with the four lane option is different striping, and the bike lanes are mandatory on the plan in order to qualify for the grant money. Mr. Krueger asked if a speed reduction is possible with the four lane option. Mr. Zettel stated that the city could do that if the method for determining the limit meets the requirements.

Wayne Kelley, 5412 Tallmadge, stated that he already has a hard time getting out of his driveway with ITT across the street. Mr. Kelley stated that fewer lanes are likely to cause accidents in that area. Mr. Kelley stated that his property borders Elms Park and wondered how the bike path would be brought across that area. Mr. Kelley stated that Tallmadge Court belongs to him and he would like to know how the bike path is going to go there.

Alicia Klorres, 5159 Greenleaf, wanted to clarify the costs for the different options. Ms. Klorres asked about the snow plowing issue with the changes. Ms. Klorres asked if there would be an increase in maintenance costs with the changes.

Carl Carlson, 5370 Miller Road, stated that the current four lanes with a turn lane works well and he would like to see it stay that way. Mr. Carlson stated that very few accidents happen in that area. Mr. Carlson stated that he is opposed to any change in that section. Mr. Carlson suggested that west of the railroad tracks could do without a turn lane but east of that should have the turn lane due to the possibility of growth.

Alicia Klorres asked about the cost to the city for the road project. Ms. Klorres spoke about the road conditions in the village where she lives. Ms. Klorres talked about the unfinished projects at the city parking lots. Ms. Klorres stated that it is frustrating to her to see other projects going on when her streets are so bad. Councilmember Porath explained where the funding comes from for street repairs; the difference between major and local streets.

Sean Kennedy, Cornerstone Baptist Church, had concerns about going to three lanes. Mr. Kennedy spoke about maintenance, problems with salt killing his grass, and the bike trail

not connecting. Mr. Kennedy stated that the wait time for exiting the property is already long enough with four lanes.

Joanne Holmquist asked if the council had a chance to read her letter about her concerns.

Gary Cox, 6175 Miller Road, is opposed to the three lane concept. Mr. Cox spoke about the bike path not connecting and safety issues with the bike lane. Mr. Cox spoke about truck traffic on Miller Road, stating that it is too heavy and too fast. Mr. Cox stated that going to three lanes is a terrible idea. Mr. Cox stated that it was designed to be a four lane highway and should be left that way.

Anna West, 6087 Miller Road, stated that there is too much traffic that goes too fast to have only three lanes. Ms. West suggested the lanes stay the same and reduce the speed limit.

Five minute break was taken.

Sean Kennedy asked if the grant money was affected if the bike lane was not included. Mr. Zettel stated that both options are grant funded but that a non-motorized option must be included.

In the event of the failure or refusal of Landmark to forthwith deliver the above referenced materials, documents and files, City may seek a Circuit Court order compelling the production of same forthwith, and Landmark herein expressly waives notice of hearing thereon agreeing that a mandatory injunction may immediately issue due to the fact that the failure to receive the stated materials, documents and files will result in irreparable harm to the City without leaving the City an adequate remedy at law, thereby entitling the City to an immediate judgment in its favor in this regard. The City shall be entitled to damages from Landmark for any information, materials or documents that are turned over to the City in unusable or altered form.

2.5 Amendment/Renegotiation:

Nothing herein contained shall be construed to limit or abrogate the rights of the parties to modify or amend this Agreement at any time hereafter, provided however, that no such amendment or modification shall be effective unless in writing and duly executed by both parties hereto, through their authorized representatives.

of one percent (5 mills) of such value as equalized by the State of Michigan, as required by law, whichever basis of limitation will result in the lesser taxation upon the taxable property in the city, unless the proposition to approve an increase above the tax rate so limited is first approved by the electors of the city. The attachment of any certificate or warrant required by this chapter to any volume of the roll, either as an assessment roll or as a tax roll, shall constitute the attachment thereof to the entire roll, provided the several volumes are identified in such certificate or warrant. Values of property set forth on the assessment roll shall be determined according to recognized methods of systematic assessment.

For the purpose of revising and correcting assessments, the Board of Review shall have the same powers and perform like duties, in all respects, as are, by law, conferred upon and required of boards of review in townships, except as otherwise provided in this charter. At the time, and in the manner provided in the following section, it shall hear the complaints of all persons considering themselves aggrieved by assessments. If it shall appear that any person or property has been wrongfully assessed or omitted from the roll, the Board shall correct the roll in such manner as it deems just. Except as otherwise provided by law, no person other than the Board of Review shall make any change upon, or addition or correction to, the assessment roll. The Board shall make no such changes, additions, or corrections after it has certified the roll as provided and required by Section 9.11 of this chapter. The Assessor shall make a permanent record of all proceedings of the Board and enter therein all resolutions and decisions of the Board. Such record shall be filed with the Clerk on or before the first day of September following the meeting of the Board of Review.

Section 9.9. Meetings of Board of Review.

(a) The Board of Review shall convene at 9:00 o'clock a.m. on the third Monday in March in each year at a place designated by the Council, or on such other date as may subsequently be required by law for the meeting of boards of review in cities, and shall meet at the same time and continue in session from day to day for not less than three days for the purpose of considering the assessment roll of the city.

Section 9.11. Certification of roll.

After the Board of Review has completed its review of the assessment roll, and not later than the Tuesday following the fourth Monday in March, or such other date as may subsequently be required by law, the majority of its members shall sign a certificate to the effect that the same is the assessment roll of the city for the year in which it has been prepared, as approved by the Board of Review, which certificate, when attached to any volume of the roll shall constitute a conclusive presumption of the validity of the entire roll, as provided in Section 9.6 of this chapter. In the event that the Board of Review shall fail or refuse to so review the assessment roll of the city, such roll, as prepared and presented to the Board of Review by the Assessor shall be the assessment roll for the year for which it was prepared and shall stand as though it had been certified by the Board of Review.

State law references: Completion of review of assessments prior to first Monday in April required, MCL 211.30a, MSA 7.30(1).

Section 9.12. Validity of assessment roll.

Upon the completion of the assessment roll, and from and after midnight ending the last day of the meeting of the Board of Review, or the first Monday in April, whichever date first occurs, it shall be the assessment roll of the city for county, school and city taxes, and for other taxes on real and personal property that may be authorized by law. It shall be presumed by all courts and tribunals to be valid, and shall not be set aside, except for cause set forth by law.

State law references: Mandatory that Charter provide for levy, collection and return of state, county and school taxes, MCL 117.3(i), MSA 5.2073(i).

Section 9.14. City tax roll.

After the Board of Review has completed its review of the assessment roll, the Assessor shall prepare a tax roll, or a combined assessment and tax roll, to be known as the "City Tax Roll." Upon receiving the certification of the several amounts to be raised, assessed, and charged for city taxes, as provided in the preceding section, the Assessor shall proceed forthwith, (1) to spread the amounts of the general ad valorem tax according to and in proportion to the several valuations set forth in said assessment roll, and (2) to place such other assessments and charges upon the roll as are required and authorized by the Council. For convenience, the city tax roll may be divided into two or more volumes.

Section 9.15. Taxes a debt and lien.

The taxes on real and personal property shall become a debt to the city from the owner or person otherwise to be assessed, on the tax day provided by law. The amounts assessed on any interest in real property shall become a lien upon such real property on the first day of July next subsequent to the tax day, and shall so remain, until paid. Said tax liens shall take precedence over all other claims, encumbrances, and liens upon said personal property whatsoever, whether created by chattel mortgage, title retaining contract, execution, or upon any other final process of a court, attachment, replevin, judgment, or otherwise, and no transfer of personal property assessed for taxes shall operate to divest or destroy such lien, except where such property is actually sold in the regular course of retail trade.

Section 9.16. Tax roll certified for collection.

After spreading the taxes and placing other assessments and charges upon the roll, the Assessor shall certify the tax roll, and attach his warrant thereto directing and requiring the Treasurer to collect, prior to March first of the following year, from the several persons named in the roll the several sums mentioned therein opposite their respective names as a tax, charge, or assessment. Said warrant shall grant to and vest in the Treasurer, all the statutory powers and immunities possessed by township treasurers for the collection of taxes. (Amended by electors 4-3-67)

Section 9.18. Taxes due--Notification thereof.

The Treasurer shall not be required to make personal demand for the payment of taxes but, upon receipt of the city tax roll, he shall forthwith mail a tax statement to each person named in the tax roll, which mailed statement shall be a sufficient demand for the payment of all taxes assessed. Neither the failure on the part of the Treasurer to mail such statement, nor the failure of any person to receive the same, shall invalidate the taxes on the tax roll or release any person or property assessed from the liabilities in this chapter in case of nonpayment.

Section 9.19. Tax payment schedule.

The Council shall provide, by ordinance, the tax payment schedule for city taxes, the times when the same may be paid without the addition of collection fees or interest, and the amount of collection fees and interest to be added thereafter. All amounts collected as collection fees and interest shall be paid into the city's treasury for the use and benefit of the city.

Section 9.20. Failure or refusal to pay personal property tax.

If any person shall neglect or refuse to pay any tax on personal property assessed to him, the Treasurer shall collect the same by seizing any personal property of such person, to an amount sufficient to pay such tax,

together with any charges and interest added thereto, wherever the same may be found in the State. No property shall be exempt from such seizure. He may sell the property seized, to an amount sufficient to pay the taxes and all charges, fees, penalties, and interest, in accordance with statutory provisions. The Treasurer may also sue the person to whom a personal property tax is assessed, in accordance with the powers granted to him by law.

Section 9.21. State, county and school taxes.

For the purposes of assessing and collecting taxes for state, county, and school purposes, the city shall be considered the same as a township and all provisions of law relative to the collection of, and accounting for, such taxes and the penalties and interest thereon shall apply. For the purpose of collection of state, county, and school taxes, the Treasurer shall perform the same duties and have the same powers as township treasurers under state law.

State law references: Mandatory that Charter provide for levy, collection and return of state, county and school taxes, MCL 117.3(i), MSA 5.2073(i); state law relative to the assessment, levy and collection of taxes, MCL 211.1 et seq., MSA 7.1 et seq.

Section 9.22. Protection of city lien.

The city shall have power, insofar as the exercise thereof shall not conflict with or contravene the provisions of law, to acquire such an interest in any premises within the city, by purchase at any tax or other public sale, or by direct purchase from or negotiation with the State of Michigan or the owner, as may be necessary to assure to the city the collection of its taxes, special assessments, charges, and any interest thereon which are levied against any lot or parcel of real property or to protect the lien of the city therefor, and may hold, lease, or sell the same. Any such procedure exercised by the city to assure the collection of its taxes or the protection of its tax or other liens shall be deemed to be for a public purpose. The Council may adopt any ordinance which may be necessary to make this section effective.

Section 9.23. Collection of delinquent taxes.

All taxes and charges, together with fees, penalties, and interest upon real property on the tax roll, remaining uncollected by the Treasurer on the first day of March following the date when the roll was received by him shall be subject to one of the following procedures:

(1) The real property against which such taxes and charges are assessed shall be subject to disposition, sale, and redemption for the enforcement and collection of the tax lien against the same in the method and manner which may be provided by ordinance. The Council may provide by ordinance the procedure for the sale and redemption of real property for such unpaid taxes and charges, together with fees, penalties, and interest, by judicial sale on petition filed in behalf of the city. Such procedure shall correspond substantially to the procedure provided by law for the sale by the State of tax delinquent real property and redemption therefrom, except that the acts performed by state and county officers shall be performed by appropriate city officers and that city tax sales shall be held not less than thirty nor more than ninety days prior to the date of corresponding tax sales under the general law.

(2) If no ordinance is in effect pursuant to subsection (1) of this section, such taxes shall be returned to the County Treasurer, to the extent and in the same manner and with like effect as provided by law for returns by township treasurers of township, school and county taxes. Such returns shall include all the additional assessments, charges, fees, penalties, and interest hereinbefore provided, which shall be added to the amount assessed in said tax roll against such property or person. The taxes thus returned shall be collected in the same manner as other taxes returned to the County Treasurer are collected, in accordance with law, and shall be and remain a lien upon the property against which they are assessed until paid.

Section 9.24. Disposition of real property held by city.

When the city has acquired any interest in property to protect the city's tax lien thereon, the owner of any interest therein by fee title, as mortgagee, or as vendor or vendee under a land contract, shall have the right to purchase the city's interest therein, upon payment to the city of the amount of money which the city has invested therein in the form of taxes, special assessments, charges, fees, penalties, interest, and costs, paid by the city to protect its title in such property. After the lapse of ninety days after the date that the city acquires title to any such property, the Council may remove the same from the market by determining that such property is needed for and should be devoted to public purposes, naming such purposes, or may sell the same at a price which shall be not less than the market value, as determined.
