Section 9.18. Taxes due--Notification thereof.

The Treasurer shall not be required to make personal demand for the payment of taxes but, upon receipt of the city tax roll, he shall forthwith mail a tax statement to each person named in the tax roll, which mailed statement shall be a sufficient demand for the payment of all taxes assessed. Neither the failure on the part of the Treasurer to mail such statement, nor the failure of any person to receive the same, shall invalidate the taxes on the tax roll or release any person or property assessed from the liabilities in this chapter in case of nonpayment.

Section 9.19. Tax payment schedule.

The Council may provide by ordinance the procedure for the sale and redemption of real property for such unpaid taxes and charges, together with fees, penalties, and interest, by judicial sale on petition filed in behalf of the city. Such procedure shall correspond substantially to the procedure provided by law for the sale by the State of tax delinquent real property and redemption therefrom, except that the acts performed by state and county officers shall be performed by appropriate city officers and that city tax sales shall be held not less than thirty nor more than ninety days prior to the date of corresponding tax sales under the general law.

(2) If no ordinance is in effect pursuant to subsection (1) of this section, such taxes shall be returned to the County Treasurer, to the extent and in the same manner and with like effect as provided by law for returns by township treasurers of township, school and county taxes. Such returns shall include all the additional assessments, charges, fees, penalties, and interest hereinbefore provided, which shall be added to the amount assessed in said tax roll against such property or person. The taxes thus returned shall be collected in the same manner as other taxes returned to the County Treasurer are collected, in accordance with

law, and shall be and remain a lien upon the property against which they are assessed until paid.

Section 9.24. Disposition of real property held by city.

When the city has acquired any interest in property to protect the city's tax lien thereon, the owner of any interest therein by fee title, as mortgagee, or as vendor or vendee under a land contract, shall have the right to purchase the city's interest therein, upon payment to the city of the amount of money which the city has invested therein in the form of taxes, special assessments, charges, fees, penalties, interest, and costs, paid by the city to protect its title in such property. After the lapse of ninety days after the date that the city acquires title to any such property, the Council may remove the same from the market by determining that such property is needed for and should be devoted to public purposes, naming such purposes, or may sell the same at a price which shall be not less than the market value, as determined.
