

REQUEST FOR BIDS
2026 Concrete Replacement
CITY OF SWARTZ CREEK
June 11, 2026

Overview

The City of Swartz Creek, Michigan is seeking proposals to install new concrete at one its pavilions and repair a road cut on a concrete road. Swartz Creek is located approximately 7 miles west of downtown Flint, Michigan, near the western edge of Genesee County. Swartz Creek has approximately 25 miles of road and nearly 50 “lane miles” of road within its boundaries.

Qualification Requirements

Bids are solicited only from responsible bidders known to be experienced and regularly engaged in work of similar character and scope covered in this Request for Bids (“RFB”). Satisfactory evidence that the bidder has the necessary capital, equipment and personnel to do the work may be required.

Bid Form

Sealed bids must be submitted on the bid forms furnished by the City. All bids must be filled out in ink or type written and shall be legally signed with the complete address of the bidder given thereon. Bidders not responding to all information requested in this RFB may have their bids rejected. The city council reserves the right to reject any and all bids and to accept any bid which in its opinion, is most advantageous to the City. Bids submitted must remain valid for at least ninety (90) days past the response date provided in this RFB.

Response Date

To be considered, sealed bids must be received at the City Office, 8083 Civic Drive, Swartz Creek, MI 48473, on or before 10:00 a.m. on Thursday, June 25, 2026 during the following hours: Monday between 8:00 a.m. and 6:00 p.m., Tuesday and Thursday between 8:00 a.m. and 4:30 p.m., Wednesday between 8:00 a.m. and 4:00 p.m. excluding holidays. Contractors mailing bids should allow adequate delivery time to assure timely receipt of their bids. Sealed envelopes containing bids must be clearly marked on the outside with the contractor’s name and **“CITY OF SWARTZ CREEK 2026 Concrete Replacement.”**

Opening of Bids

All bids received will be publicly opened and read at city hall at or soon after 10:00 a.m. on **Thursday, June 25, 2025**. All bidders are invited to be present if desired.

Rejection of Bids

The City reserves the right to reject any or all bids, in part or in their entirety, or to waive any information or defect in any bid, or accept any bid which, in its opinion is deemed most advantageous to the city.

Explanations and Alternate Bids

Explanations desired by a prospective bidder shall be requested of the City in writing, and if explanations are necessary, a reply shall be made in the form of an addendum, a copy of which will be forwarded to each bidder. Every request of such explanations shall be in writing and addressed to: Robert Bincsik, City of Swartz Creek, 8083 Civic Drive, Swartz Creek, MI 48473.

Contract Execution

The bidder to whom the contract is awarded shall, within ten (10) calendar days after the notice of award, enter into a written contract with the City. Failure to execute a contract will be considered abandonment of the award and the City shall have no further obligation to that bidder.

Incurring Costs

The City is not liable for any costs incurred by contractors prior to the issuance of the contract.

Material Submitted

All materials submitted as part of a bid will become the property of the City. The City reserves the right to use any and all ideas presented.

Scope of Work

Bids shall address, to the greatest extent possible, all possible service delivery impacts, including but not limited to, bid prices, equipment availability, etc., throughout the term of the contract. The City seeks to have new concrete installed at one of its Abram Park Pavilions and concrete road repaired on Luca Lane. The park pavilion will need approximately 940 square feet for the pavilion and drinking fountain pad. Luca Lane will need approximately 470 square feet of 6" concrete roadway repaired. This contract shall also be subject to appropriation by city council. In the absence of an appropriation, a contract issued pursuant to this RFB shall be void and of no effect.

CDBG Sidewalk installation Bid Specifications

Definitions

"bids"- shall be defined as an announcement of terms indicating what items are needed to complete a project.

"bidders"-shall be defined as any person(s) or company that attempts to meet the terms of the bid.

"City"- shall mean the City of Swartz Creek.

"contract"- shall mean the contract between the City and the Successful Bidder.

"successful bidder"- shall be defined as the bidder who is chosen by the City Council to enter into contract with the City.

These definitions are meant as guides for understanding and are not binding explanations.

Description

The successful bidder should possess broad expertise in grading, proper bases, forming, pouring and finishing concrete. The installation of the sidewalks will be in compliance with ADA requirements. Bidder will be required to grade sidewalks in a manner maintaining existing driveway grades and provide ADA compliance. Bidder should be able to repair asphalt driveways and restore soft surface (grass) areas. Bidder will provide all equipment, tools, expertise etc. to complete the job. Bidder will be required to communicate with the City of Swartz Creek and the residents in the construction zone to schedule driveway repairs, parking on the street etc. Services required may include but not be limited to any of the following:

For Concrete installation at Abrams Park:

All concrete is to be installed to the following specifications:

1. City will handle the tree removals for the project should they be necessary.
2. Remove existing cracked concrete under pavilion. Contractor will saw cut around posts and use paper board to separate the existing concrete around the pavilion support posts to the new concrete being installed.
3. Grade will be set to allow installation of new concrete at the same level as the old near the top of the old concrete around the pavilion support posts.
4. Concrete will have wire added.
5. Concrete will be finished flat and given a broomed finish.
6. Contractor is responsible for all restoration around new concrete slab.
7. Minimum of 4" CI II Sand Base compacted in place to 95% Maximum Density. Sand base shall meet requirements of Section 902 of the MDOT 2020 Standard Specifications for Construction.
8. Concrete will consist of the following: Uniform, Grade 3500, Air Entrained.
9. Restoration will utilize top soil, grass seed and straw coverage as needed. In the event there is a severe slope straw matting will be required
10. Bidder is responsible for all traffic control associated with performing the work (both streets are dead ends). Traffic control will be conducted in a manner to provide safety for the work crew and or the motoring public.
11. Bidder is responsible for completing the project in a timely workmanlike manner. The construction area will be cleaned up after completion and restored to pre-construction condition.

For installation at Luca Lane:

All concrete is to be installed to the following specifications:

1. City will handle any tree removals should they be necessary.
2. Sawcut the outlined concrete area approximately (470 square feet).
3. Remove existing stone filling in the area to be repaired to the proper depth.
4. Drill and dowel the existing concrete for a #4 rebar 24" in on center.
5. Concrete will be finished flat and given a broomed finish.
6. Contractor is responsible for all restoration around new concrete slab.

7. Minimum of 4" CI II Sand Base compacted in place to 95% Maximum Density. Sand base shall meet requirements of Section 902 of the MDOT 2020 Standard Specifications for Construction.
8. Concrete will consist of the following: Uniform, Grade 3500, Air Entrained.
9. Bidder is responsible for all traffic control associated with performing the work (both streets are dead ends). Traffic control will be conducted in a manner to provide safety for the work crew and or the motoring public.
10. Bidder is responsible for completing the project in a timely workmanlike manner. The construction area will be cleaned up after completion and restored to pre-construction condition.

Bidder Qualifications

A detailed description of the primary contact's background, as well as the company's background and previous experience shall be included with the proposal. Background information and experience shall also be submitted for all key personnel that will be working with the City.

In the event that portions of the work are to be subcontracted or a joint affiliation utilized, detail of such affiliation shall be furnished along with the same information as required for the bidder.

Requirements

- A. Proof of State of Michigan licenses and any other necessary licenses or certifications.
- B. Availability and ability to perform the work and coordinate and schedule the work with others involved on the project.
- C. Ability to communicate and work effectively with the City of Swartz Creek, its officials, administration, staff, and consultants with respect to any of the services required.
- D. Ability to work effectively with public agencies and officials.
- E. Thorough knowledge of the underground trade and ability to protect the public should anything hazardous be found on site.
- F. Ability to submit reviews, reports, and inspection results in writing and in a timely manner to the City of Swartz Creek, if so requested.
- G. The successful bidder or their representative shall attend any regular or special meetings, as requested by the City.
- H. Ability to meet or accomplish the following specific project requirements:
 1. Successful bidder, at successful bidder's cost, shall secure any necessary permits.
 2. As work progresses, carefully clean and keep the project site clean from rubbish and refuse.
 3. Remove all rubbish or refuse from the project site daily; no material or debris may be buried on site.
 4. Limit hours of operation to Monday through Friday during the hours of 8:00 a.m. to 5:00 p.m. Special hours of operation outside the normal hours must be approved by the City.

The Proposal

A response to this RFB must outline in detail the manner in which they would work with the City to fulfill the City's needs. The outline at a minimum shall address:

- A. The designation and location of the bidder's primary contact (one point of contact who is in charge of the project), support staff and the associate personnel, and the overall relationship, which will be established between the bidder and the City. Further, the qualifications and experience of the primary and main secondary contacts should be included within the proposal.
- B. Communicating and coordinating procedures. Each bidder shall include, within their proposal, the pertinent form(s) to be utilized for progress report(s) to the City.
- C. The bidder's capabilities to perform the necessary demolition and clean-up.
- D. The general manner in which work will be performed.
- E. The experience and references for those who will perform work.
- F. Bid should include any cost to obtain necessary permit and materials as to provide compliance with the law and this bid.

Bidder Responsibility

The City of Swartz Creek will not be liable for any cost incurred in the development of a proposal responsive to this request. By submitting a bid to the work, the bidder represents that it is fully informed concerning the scope of the project, the requirements of the contract, the physical conditions likely encountered in the work, and the character, quality and quantity of the services required by the City.

The successful bidder shall furnish all labor materials, supplies, devices, or tools needed to perform the required services. The bidder will not be entitled to additional compensation if it later determines that conditions require methods or equipment other than those anticipated in making its bid. In addition, the successful bidder shall provide all vehicles and other equipment and material necessary for work. Bidders having questions regarding this RFB should request clarification prior to submittal of a bid. Negligence or inattention of the bidder in filing a bid, or in any phase of the performance of the work, shall be grounds for refusal of the City to agree to additional compensation. Bidders having questions regarding this RFB shall contact the City for clarification.

Safety

The successful bidder shall comply with the Safety Rules and Regulations of the Associated General Contractors of America, the Occupational Safety and Health Standards of the Construction Industry, State of Michigan, Department of Energy, Labor & Economic Growth, for the protection of workers on this project.

All equipment and work shall conform to the requirements of the Occupational Safety and Health Act and Michigan Department of Labor Occupational Safety Standards, as amended.

Assignments or Subcontracting

The successful bidder shall not assign, subcontract or otherwise transfer its duties and/or obligations under this proposal, without prior written consent of the City. If the bidder anticipates that it will need to subcontract its duties in order to fulfill the contract requirements, that information must be disclosed in the bidder's response and subcontractor information (i.e. company name and contact information) shall be included in the bid document.

Fair Employment Practices

The successful bidder agrees to not discriminate against any employee or applicant for employment, to be hired in the performance of the contract with respect to hire, tenure, term, conditions or privileges of employment, or any other matter directly or indirectly related to employment, because of sex, race, color, religion, national origin, ancestry handicap or any other basis prohibited by state or federal law or regulations.

Contractor's Payment of Taxes, Permits, Etc.

The successful bidder shall be solely responsible for:

- a. Payment of wages to its work force in compliance with all federal and state laws, including the federal and state wage and hour laws.
- b. Payment of any and all FICA, unemployment contributions and other payroll-related taxes or contributions required to be paid by the successful bidder under state and federal law.
- c. Payment of all applicable federal, state, or municipal taxes, charges or permit fees, whether now in force or subsequently enacted.
- d. Payment of any and all suppliers, merchants or vendors from whom the successful bidder obtains items and materials related to the contract.

The successful bidder shall indemnify and hold the City harmless from all claims arising from the foregoing payment obligations of the successful bidder.

Damage to Persons or Property

The successful bidder also accepts sole responsibility for any damage to any person or damage to public, or private property resulting from their performance of the work, whether based on negligence or any other legal or equitable claim.

The successful bidder will protect, defend and hold harmless, the City from any and all damage, claim liability, or expenses whatsoever, or amounts paid in compromise there of arising out of or connected with the performance of this contract, including those related to the successful bidder's (or its subcontractors') negligence.

Insurance

A. Liability Coverages

1. The Successful Bidder shall furnish at his own expense and keep in full force during the terms of this contract the following coverages which shall list the City as an additional insured:
 - Insurance covering bodily injury in the minimum sum of \$1,000,000 for each occurrence
 - Insurance covering property damage in the minimum sum of \$200,000 for each occurrence, \$100,000 aggregate.
 - Automobile liability insurance in the minimum of \$500,000 combined single limit for bodily injury and property damage.
2. Workers Compensation Compliance

Successful bidder shall also comply with all requirements of the Michigan Workers' Compensation Law and shall at his own expense, maintain such insurance, including employer's liability, as will protect him from claims under said law and from any other claims for personal injuries, including death which may arise from the operations under the contract, whether operations be by himself or anyone directly or indirectly employed by him.

B. Certificates of Insurance

Included in bid package, bidders shall provide the City complete certificates of insurance to meet the above requirements. Policies shall be endorsed to provide the City at least thirty (30) days written notice of reduction, cancellation, or intent not to renew coverages as called for above.

If insurance is canceled, reduced, non-renewed or otherwise is not in effect to the minimum required coverage, the successful bidder must cease work on this bid.

C. Submission of Policies and Certificates of Insurance

The successful bidder shall provide the City with a copy of its required insurance policies and certificates of insurance as described above. If the successful bidder does not provide such materials in the time provided for, the successful bidder will be disqualified and the bid will be awarded to the next lowest bidder or in the creation of a new request for bid.

Quality of Service

The City expects the successful bidder to maintain all equipment in a clean and well-operating fashion, with special consideration for proper maintenance and care of all elements, items and equipment mentioned in this document. The successful bidder will operate in a professional manner and keep all noise and other nuisances to a minimum at all times while under contract with the City. The successful bidder shall observe city ordinances relating to obstruction of streets, and shall obey all laws and city ordinances controlling or limiting those engaged in the work. The successful bidder shall handle the work in a manner that will cause the least inconvenience and annoyance to the general public and to the property owners. The successful bidder shall file all documents outlined in this RFB in a timely and well-organized manner.

Operation of Vehicles

The successful bidder shall operate all company vehicles in a manner so as to not impede traffic flow on city streets. Company vehicles are not to be left unattended for any reason except for emergencies or in the actual performance of the job. When a vehicle is left unattended for the actual performance of the job, it shall be according to city codes and ordinance in place at that time.

Support Facilities

Successful bidder shall have sufficient staff and communications facilities to assure ready accessibility and prompt response to the needs of the City.

Breach of Contract and City's Right to Terminate Contract

In the event that any of the provisions of this bid and/or resulting contract are breached by the successful bidder, the City shall give written notice to the successful bidder of the breach or pattern of behavior that constitutes the breach and allow the successful bidder to resolve the breach or pattern of behavior that constitutes the breach within ten (10) calendar days of the successful bidder's receipt of notice. If the breach or pattern of behavior is not resolved, then the City manager of the City of Swartz Creek shall have the right to cancel any contract by sending written notice to the successful bidder of cancellation.

If the successful bidder should be judged bankrupt, if it should make a general assignment for the benefit of its creditors, if a receiver should be appointed on account of its insolvency, if it should persistently or repeatedly refuse to supply enough labor, materials and/or equipment to meet the scope of work of the contract, if it should persistently disregard laws of the State of Michigan and/or ordinances of the City, or if it fails to comply and fulfill its obligations under any provision of the contract resulting from its bid, the City may, without prejudice to any other right or remedy, terminate the contract immediately.

If the successful bidder fails to perform or complete the demolition and clean-up of the residential buildings as agreed or otherwise breaches its duties under this bid or the resulting contract, the successful bidder shall be reasonable for any and all costs the City incurs in obtaining satisfactory performance of the project and/or litigation costs and attorney's fees to enforce its rights under the bid and this contract. Such relief shall be in addition to any other legal and equitable remedies available to the City.

City's Right to Modify Contract

The City reserves the right to negotiate with the successful bidder for a change in terms of the contract during the term of the contract and to make adjustment relative to the implementation of a change that reduces or modifies the need for the engineering services. If the City and the successful bidder are unable to agree on a revised contract, the City may seek new proposals and, upon a minimum of ten (10) calendar day's written notice from the City, may terminate the unexpired portion of the contract. The City shall not be liable for any cost under this section beyond the contract price for the period where service was actually provided.

No Conflict of Interest

The bidder must provide a statement that it has no conflicting financial or professional interests and is qualified to perform the services requested.

References

All bidders shall include a list of current and prior projects similar to that proposed in this RFB as references for qualifying experience. The name, address, and telephone numbers of the responsible individual(s) at the reference project site who may be contacted shall be included.

Particular attention will be paid to references from other municipalities and/or public sector entities within Genesee, Shiawassee, Livingston and Oakland Counties.

Payment

The City shall pay for acceptable work within thirty (30) days of receipt of invoice, except that prior to approval of and final payment for the completion of the project, the successful bidder must thoroughly clear the project site and any other place affected by the work of all debris to the City's satisfaction, in the City's sole discretion.
